

# Does God Have A Lot To Answer For?

By David J. Stewart | January 2015 | Updated November 2015

One of the most famous actors in Hollywood history is Robert De Niro, born in 1943. In De Niro's biography, he is quoted making the following blasphemous statement . . .

***"If there is a God he has a lot to answer for."***

**SOURCE:** [Robert De Niro - Biography - IMDb](#)

What an arrogant statement! What a horrible thing to say. Who is Robert De Niro to hold God accountable? Who is any man to demand answers from his Creator? Who is mankind to indict a holy God? It is man's desperately evil and deceitful heart that ruins a civilization . . .

**Jeremiah 17:9-10, "The heart is deceitful above all things, and desperately wicked: who can know it? I the LORD search the heart, I try the reins, even to give every man according to his ways, and according to the fruit of his doings."**

It is man who must answer to God, and not God to man. In his 1984 despicable movie, "Once Upon A Time In America," De Niro savagely rapes a woman in the backseat of a car. The scene is graphic. I believe this is why De Niro was asked by his Illuminati handlers to come forward in defense of President Bill Clinton when he was accused of raping a woman. The occult pride themselves in symbology, and movies are saturated with them, confusing fiction with reality. In his film, "The Deer Hunter," De Niro is walking around butt naked in public. Kindly, it is Robert De Niro who has a lot to answer for to God, and not the other way around.

God has nothing to answer for, because we are not in a position to judge God. We are the creature, God is our Creator. **Romans 9:20, "Nay but, O man, who art thou that repliest against God? Shall the thing formed say to him that formed it, Why hast thou made me thus?"** There is a God and He has nothing to answer to man for! God has told mankind everything that we need to know in this life, and a whole lot more information than we deserve to know, in the Holy Bible. If you want to hear God speak audibly, read the Bible out loud. De Niro speaks like a spoiled rich man, who elevates himself above his Creator, speaking like a fool.

## Men Can Become Monsters Without Jesus Christ

We are so ungrateful and hypocritical as human beings. God does so many wonderful things to bless us. We have hundreds of varieties of meats, fruits, vegetables and seasonings to enjoy, and the taste buds to enjoy them, and the healthy body to enjoy them, and yet men so often focus on the problems of this world and blame God. Is it

God's fault that citizens in India [weren't allowed to gather salt](#) in the early 1900's because of greedy government bureaucrats who wanted tax money?

Is it God's fault that [Mao Zedong](#) forced Chinese citizens to make steel instead of tending to their fields to grow crops, which consequently caused the starvation of 30,000,000 Chinese people? It became known as the [Great Chinese Famine](#) (1958-1961). The monster Mao caused it, not God!!! I could easily bring up thousands of such manmade atrocities, evils and blunders. Is it God's fault that the Illuminati-controlled Bush administration led a coalition of UN troops into Iraq after the 911 attacks to murder [1,455,590](#) people? Of course not. Men who worship Lucifer did that.

NOTE: The U.S. Presidency has been hi-jacked by the Illuminati, which President John F. Kennedy warned the American public just 10-days before they assassinated him in broad daylight. They could have killed him with poison in a private setting. Why did they murder JFK at noon in front of thousands of people? The answer is simple, that is, to send a clear message to all future presidents and politicians who would dare stand in the way of the Illuminati. No one is safe! The term "Illuminati" refers to a powerful hierarchy of Luciferian-worshippers who Satan uses to control the world. [Here's a video of world leaders flashing satanic hand-signs](#) by which they communicate with each other, showing their allegiance to Satan. Truth is stranger than fiction!

It was Pol Pot, and not God, who brutally murdered over 2,000,000 Cambodians, most of whom were killed by putting a plastic bag over their head to suffocate them. Many were buried alive. After being forced to dig their own graves, they were too tired to resist, and were buried alive in their own graves. Most of the killings were done by young men and women of peasant families, forced to kill or be killed. Ordinary people can become monsters under the right circumstances . . .

**"One of the sad truths I have come to see is that for this kind of mass violence, you don't need monsters,"** Craig Etcheson, a genocide expert and visiting scholar at the Johns Hopkins University School of Advanced International Studies, told the Chicago Tribune. **"Ordinary people will do just fine. This thing lives in all of us."**

So you see my friend, it is people hurting people that makes the world such a nasty, horrible and miserable place for many. God has given to mankind a freewill. Unfortunately, many humans choose to do evil, for which there are always consequences, for ourselves and for others.

[2015 NFL SuperBowl Spent \\$14 Billion - 2.8 Million Poor U.S. Families Could Have Received \\$5,000 Each!](#) Unbelievable! With all the millions of homeless people living on the streets of America, spoiled Americans spend tens-of-billions of dollars on meaningless professional sports. It's a big racket! I dislike professional sports because it's all about money, sensual advertising, worldliness and they all promote the Illuminati. The NFL was started by a *Skull & Bones* member. I'll pull for the neighborhood Little League team any day over shameful professional sports. Anytime that large amounts of money is involved there is corruption.

Literally, they could have given \$1,000 each to 14,000,000 poor Americans with the money that they made from just ONE NFL SUPERBOWL. The sad truth is that nobody gave even \$5 to a homeless American on the streets. Whatever charity money is donated goes to pay some fluff's exorbitant \$600,000 a year salary. Even the favored Salvation Army paid it's top dog \$249,000 salary last year in 2013. Big charities in the U.S. are also one of the biggest scams in my opinion. Is all this God's fault? No, men and women are selfish and greedy. We are the ones who have to answer to God, and Americans have a lot to answer for!!!

## **The World Has A Lot To Answer To God For**

God has lovingly been making His appeal to humanity to return to Him, ever since the fall of man in the Garden of Eden. Most men don't listen to God, just as the last king of Israel (Zedekiah) and the Jews he reigned over in Jerusalem didn't listen. The following passage of Scripture parallels America today, just before total destruction came upon them . . .

**2nd Chronicles 36:11-16, "Zedekiah was one and twenty years old when he began to reign, and reigned eleven years in Jerusalem. And he did that which was evil in the sight of the LORD his God, and humbled not himself before Jeremiah the prophet speaking from the mouth of the LORD. And he also rebelled against king Nebuchadnezzar, who had made him swear by God: but he stiffened his neck, and hardened his heart from turning unto the LORD God of Israel. Moreover all the chief of the priests, and the people, transgressed very much after all the abominations of the heathen; and polluted the house of the LORD which he had hallowed in Jerusalem. And the LORD God of their fathers sent to them by his messengers, rising up betimes, and sending; because he had compassion on his people, and on his dwelling place: But they mocked the messengers of God, and despised his words, and misused his prophets, until the wrath of the LORD arose against his people, till there was no remedy."**

1st John 5:19 declares that the entire world has always been a wicked place, because of man's sinful heart and the fact that Satan is the **god** of this world (2nd Corinthians 4:4). The world is a cesspool of iniquity and no place is as grossly immoral as Hollywood, California. Satan is the boss of Hollywood. We have become a woefully wicked nation in the United States, transgressing much after **all the abominations of the heathen...**

Rejecting God's Word, abortion, nudity, drunkenness, homosexuality, witchcraft, Satanism, bestiality, idolatry, covetousness, adultery, divorce, violence, indifference, pride, lasciviousness, immodest clothing, greed and gouging customers, lying, fornication, not helping the poor, not caring for the homeless, fraud, shady advertising, not spiritually caring for the imprisoned, dishonesty, abusing the fatherless and widows, stealing men's homes, rampant criminal activities in government, corrupting the Holy Bible, feminism, drug abuse, Hollywood pedophilia, dishonoring the preacher, complacency, prayerlessness, false religion, and a hundred more evils.

The U.S. is a devil's playground today.

## **Homosexuals Are Promoting Pedophilia**

It's been reported in all mainstream news recently about a disturbing YouTube video which promotes pedophilia. So far the shameful video has received over 100,000,000 views on YouTube!!! I pray for God to bring judgment upon America! We deserve it! By the way, be sure to continue reading the next sub-section after this subject, where I provide some powerful quotes from Commander William Guy Carr (1895-1959) about why the Illuminati are deliberately pushing all this sexual perversion upon our youth nowadays. The Illuminati want to normalize sexual immorality and all manner of degenerate behavior and acts of insanity.

The perverted music video that we're talking about here is for the song titled "Elastic Heart" by [Sia Furler](#) (or just, "Sia"), a bisexual (LESBIAN) Australian singer and songwriter. The sex-perverted video features 28-year-old Hollywood actor Shia LaBeouf and 12-year-old "Dance Moms" star Maddie Ziegler. The seductive pair are locked in a cage throughout the 5-minute video, both wearing naked-body-suits to appear as being completely naked.

At the end of the creepy music video, the little girl (Maddie) walks through the cage bars, but the adult man still in the cage (Shia) is too big to fit through the bars. Shia is trying to escape the cage but cannot. Maddie desperately tries to pull Shia through the bars of the cage, looking at him with sensual desire and wantonness. Clearly, this scene is symbolic of the taboo of pedophilia. The 12-year-old girl wants to have sexual relations with the grown 28-year-old man, but the law will not allow them to do so, which is represented by the cage bars. Maddie can pass through the bars, but Shia cannot. This is a 12-year-old girl, who at one point in the video lays back on the floor with her legs spread (clearly intended to be sexually inviting). Shia and Maddie are caressing each other throughout the entire video, madly consumed with each other, which is clearly understood as sexual foreplay.

According to [information from Stanford University](#), music videos are most popular with younger teens, whereas the music itself is more popular with older teens. In other words, the Illuminati are targeting younger teens with degenerate videos, so that young teens will be encouraged to seek sexual relations with older men. It is human nature to have heroes and mentors. The Devil knows this. **Proverbs 13:20, "He that walketh with wise men shall be wise: but a companion of fools shall be destroyed."** Nothing is as destructive on teenagers today as the satanic music videos on YouTube, VH1 and MTV. It is tragic that our youth are being given kooks, quacks, pedophiles and queers for their heroes nowadays. America has become a spiritual dungheap among the nations, standing idle while the [Devil's crowd intentionally destroy our youth](#). **Psalms 50:22, "Now consider this, ye that forget God, lest I tear you in pieces, and there be none to deliver."**

The producers of this film should be in prison for exploiting and endangering children! I've been preaching against "[Dance Moms](#)" since that pedophile-promoting show went public in 2011. Those producers, mothers and everyone involved should be brought to justice! God will punish them! **Isaiah 13:11, "And I will punish the world for their evil, and the wicked for their iniquity; and I will cause the arrogance of the proud to cease, and will lay low the haughtiness of the terrible."** Even so, come, Lord Jesus!

The entire "Elastic Heart" video by lesbian Sia is sexually suggestive, promoting the adult-child-sex philosophies of NAMBLA. [NAMBLA](#) wants to [sodomize children](#), and they're lobbying in the courts to change the laws to lower the age-of-consent. [The](#)

[Threat](#) of [Homo Pederasts](#) to our children is disturbing. Search the internet for “Hollywood pedophiles” and you will be shocked at how much information there is. I once formed a list of [67 Hollywood movies](#) with homosexual themes—the point being that homosexuality is synonymous with pedophilia and pederasty.

[Communist Russia](#) is now [Safer for Children](#) than America! [President Vladimir Putin in Russia bans queer adoptions to protect children from being sexually molested](#). I am not trying to be unkind or mean, but the facts prove (as evidenced by this pedophile video “Elastic Heart” made by a lesbian, Sia) that there is a strong link between homosexuals and pedophiles. One perversion begets another!!!

## Luciferians Are Deliberately Normalizing Sexual Perversion

The following quote is taken from William Guy Carr's excellent book titled, “SATAN, PRINCE OF THIS WORLD,” from the chapter titled, “HOW THE SYNAGOGUE OF SATAN WORKS IN HIGH PLACES” . . .

**Professor Pitrim Sorokin** of Harvard University published an exposure of this angle of the Luciferian conspiracy in a book entitled *The American Sex Revolution*. The author states that perverted sexual behaviour plays a major part in modern U.S. political life and that sex bribery and blackmail are now as prevalent as monetary corruption.

He states "sexually infamous persons, or their protégés, are being appointed to ambassadorships and other high offices; profligates sometimes become popular mayors of metropolises, members of cabinets, or leaders of political parties. Among our political officials there is a vast legion of profligates both heterosexual and homosexual. Our morals have changed so notably that continence, chastity, and faithfulness are increasingly viewed as oddities."

Professor Sorokin's book didn't get the same kind, or volume, of publicity as did Dr. Kinsey's books dealing with the alleged moral practices of males and females.

**According to Satanism, it is perfectly right and proper to encourage moral turpitude in all classes of society, and at all levels of government, by convincing the public that abnormal sexual behavior is normal; and that the moral code accepted by civilized nations, based on the Commandments of God and teachings of the Holy Scriptures, is old fashioned and introduced by Church and state for**

**selfish purposes.** But behind the building up of a WRONG conception of sex, and its purposes as intended by God our Creator, is the Satanic principle that "The best revolutionary is a youth absolutely devoid of morals." When Lenin stated this as recorded in *Pawns in The Game* he only confirmed what other Satanists had stated a hundred times previously.

**It is Satanism, as it is direct from THE TOP, which is responsible for the increase in juvenile delinquency,** but those selected by the governments of the world to investigate this problem invariably give every CAUSE other than the right one...

I discussed [these issues] with a top level official of the Department of Health and Welfare in Canada. He literally snorted: "Well! What do you suggest we do ... clean every homosexual out of the civil service, and throw them in prison where they can indulge their queer ideas of pleasure to their hearts desire? Many of them are brilliantly minded men. When on the job they are efficient and work long hours. You seem to forget Oscar Wilde was a homosexual.

**Stop trying to save the human race. The vast majority aren't worth the time or the trouble. Most of them will be better off if they are forced to live under a totalitarian dictatorship; they will then get what the government decides is good for them."**

When in the hospital in 1945, ... I delved and dug deeper and deeper, with the cooperation of one of Canada's leading librarians, until I was able to learn about the double lives men like Weishaupt and Pike had led. But although I continued studying and reading it was not until 1956, AFTER *Pawns* and *The Red Fog* had been published, that I finally realized that the Illuminati, whose secret plot and intentions I had exposed, were controlled AT THE TOP by the Synagogue of Satan.

It wasn't until I was given information regarding Pike's dual personality, that I was able to dig up proof that **the Synagogue of Satan is controlled by the High Priests of the Luciferian Creed.** Once I had penetrated this secret it became obvious that the wars and revolutions

which plague the world today are part and parcel of the Luciferian conspiracy, and that ALL aspects of the World Revolutionary Movement are part of that conspiracy.

My friend, the spiritual dangers looming over our world today are very real. I only wish I could convince every person of the great importance of receiving Jesus Christ, the Son of God, as one's personal Savior. That's the only way anyone can ever obtain the forgiveness of sins and go to Heaven. Eternal life is a free gift of God (Romans 6:23). Salvation is not doing your best, it is having Christ's best put to your account through receiving Him by faith.

Satan's goal for your life is to BLIND you from the truth of the Gospel of Jesus Christ (2nd Corinthians 4:4), so you'll spend eternity burning in the fires of Hell (2nd Thessalonians 1:8-9). Christ paid for our sins upon the cross. He was buried in a grave and three days later miraculously raised up (1st Corinthians 15:1-4). Jesus Christ is alive today, interceding as our High Priest on the right-hand of God the Father (Hebrews 4:15-16). What a wonderful God and Savior!

Make no mistake, there is a generational Masonic plot to overthrow America's liberties and freedoms and usher in a Global, Godless, Totalitarian, Communist, Police State. Out of the ashes of American society will arise a New World Order (which is stated in Latin on the back of every U.S. one dollar bill, under the Illuminati pyramid). . .

**The High Priests of the Luciferian Creed know they cannot usurp world power before the United States is ruined** as the last remaining world power, so those who direct the W.R.M. (World Revolutionary Movement) AT THE VERY TOP are arranging matters so the United States will, as Lenin stated, "Fall into our hands like an overripe fruit." **This is how events taking place today indicate the subjugation of the U.S.A. is planned.**

SOURCE: William Guy Carr, the awesome book "[SATAN, PRINCE OF THIS WORLD](#)," pg. 30

The information provided by William Guy Carr is a blessing, helping new generations of Christians to grasp the evil workings and subversive nature of the Luciferian-worshipping Illuminati. The information is as applicable today as ever. The most important thing for Christians to understand is that Satan is infiltrating the churches with [occult-inspired counterfeit Bible versions](#). Look in most modern Bible versions in Isaiah 14:12 and you won't find "Lucifer." The trustworthy King James Bible mentions

the name of Lucifer in only one place, Isaiah 14:12. It is obvious why the Devil wants this passage corrupted, to blind people to his true character and intent. Lucifer is in fact the Devil, Satan, the serpent, the Dragon (Revelation 20:2).

## **There Is A God Mr. De Niro and He Is A Good God!**

Here once again is the quote which was made by Hollywood actor Robert De Niro, in which he blasphemes God . . .

***"If there is a God he has a lot to answer for."***

**SOURCE: [Robert De Niro - Biography - IMDb](#)**

There is a God friend, and this truth is abundantly clear in so many ways. There can't be a creation without a Creator. **Romans 1:20, "For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse."** Our very time system recognized worldwide throughout the centuries is based around one man, Jesus Christ (i.e., B.C., Before Christ, et cetera). At moments of extreme anger, pleasure and fear, men exclaim "Oh God!" or some other mention of our Creator. Every civilization throughout history has recognized God, albeit many of them were misled by a satanic religious deception. The presence of the Holy Spirit in every Christian believer is proof of God (1st Corinthians 3:16-17; Romans 8:9).

Science testifies of a divine Creator, who made DNA and orderly design. Astronomy testifies of a divine Creator, Who spoke the massive universe into existence from nothing. Archaeology testifies to the accuracy of the Holy Bible, proving that the Biblical historical record is totally true. There is overwhelming evidence of a divine holy God if you honestly desire to recognize it. My heart hurts for Robert De Niro. I wish he would repent of his unbelief and come to the Lord Jesus Christ by faith for the forgiveness of all his sins. Unfortunately, like nearly all rich people who think they already have Heaven on earth, they don't want a God.

**James 5:1-3, "Go to now, ye rich men, weep and howl for your miseries that shall come upon you. Your riches are corrupted, and your garments are moth-eaten. Your gold and silver is cankered; and the rust of them shall be a witness against you, and shall eat your flesh as it were fire. Ye have heaped treasure together for the last days."**

Here is a list of how much money Mr. De Niro was paid for a handful of his movies:

- The Wedding Party (1969) \$50
- Taxi Driver (1976) \$35,000
- The Last Tycoon (1976) \$200,000 + percentage of gross
- Stanley & Iris (1990) \$3,500,000
- Sleepers (1996) \$6,000,000
- Ronin (1998) \$14,000,000
- Analyze This (1999) \$8,000,000
- Meet the Parents (2000) \$13,500,000

The Score (2001) \$15,000,000  
Showtime (2002) \$17,500,000  
Analyze That (2002) \$20,000,000  
Meet the Fockers (2004) \$20,000,000  
Stone (2010) \$2,500,000  
Little Fockers (2010) \$20,000,000

SOURCE: [Robert De Niro - Biography - IMDb](#)

These are just a small handful of De Niro's films and wealth. But how will all De Niro's wealth benefit him when he dies and passes into God's hands in eternity? It won't. De Niro doesn't even know if there is a God, and he insults God by accusing him of evil. No man has the right to put God on trial. Why does God have a lot to answer for? It is man's wickedness that brings hurt, starvation and pain to the world. God gives us a warm sun, that faithfully rises and sets each and every day of the year. God gives us plenty of delicious foods and drinks to enjoy. I'm so sick of spoiled brats, blessed Americans who live in plenty, who dishonor and disrespect God by continually blaming Him for man's mess. Satan is the enemy, not God.

God is a good God and greatly to be praised!!! . . .

**Psalms 96:4, "For the LORD is great, and greatly to be praised:  
he is to be feared above all gods."**

**Psalms 145:3, "Great is the LORD, and greatly to be praised;  
and his greatness is unsearchable."**

God gives us our amazing bodies. God provides us food. God gives us rain to grow crops. God created our bodies to enjoy pleasures in life, but only within Biblical standards of morality for our own protection. God is so good to us all! Americans get mad at God when their new car breaks down, when they miss their favorite satanic TV show, or when they lose their job to Communist deindustrialization or to an "illegal" immigrant. Man's sinful nature is the problem, not God. People hurt people.

Hollywood spends Tens-of-billions-of-dollars each year making movies, and Americans spend hundreds-of-millions-of-dollars to watch them, including Christians. Meanwhile, families are dying in third-world countries every minute, having no food, medical, clean water or the necessities of life. In South Africa, teen girls are so poor that they regularly miss school during their female time of the month, using newspapers for sanitation napkins. Could an American comprehend such horrid living conditions? I think not.

Whatever once-distant God-fearing America existed is today buried beneath hundreds of layers of all the aforementioned sins, mainly pride, stubbornness, isolationism, indifference and idolatry. How can foolish Americans actually expect God to bless our nation when we have murdered 57,000,000 babies by abortion since 1972? It is arrogant pride and downright stupidity for anyone to think God is going to bless a nation that recognizes homosexual marriages and allows perverts to adopt and raise children to be lesbians and queers. The reason why we are witnessing so much perversion in society today is because the Illuminati want to normalize sexual immorality; thus, rendering American culture Godless and ripe for recruiting into the Luciferian religion of the coming Antichrist (the Beast). See: [Taylor Swift And Satanism!](#) A Godless people are a vulnerable people! Without Jesus Christ a nation is

capable of stooping to any form of wickedness and unthinkable evil. Hollywood movies are getting dull, old and boring to viewers; the next trend will be killing people in real life, you watch and see! (no pun intended).

And so I say kindly, but truthfully, if anyone has a lot to answer for Mr. De Niro, it is mankind. We Americans certainly have much to answer for, and it appears that the grave we are digging for ourselves is only getting a lot deeper! God the Father offers man eternal life for free, paid for by the sacrifice of His only begotten Son on the cross. That's a great and awesome God! Thank you God for the gift of your only begotten Son, Jesus Christ!!!
